

# House of Mirth

By Edith Wharton

**3.37 / 5 Books**

---

*2.5 / 5 Books*

"I liked the concept of the book more than actually reading it. It was interesting how its ideas were so current and modern. I thought Lily Bart's culture paralleled modern celebrity culture. I deeply disliked Lily's indecisiveness."

*3 / 5 Books*

"The characters were unsympathetic, and Lily was worthless."

*3.5 / 5 Books*

"It was a great picture of a class system that, fortunately, doesn't exist anymore. It was about the downward spiral of a young woman caught in a web of society's making."

*4.5 / 5 Books*

"This book speaks to readers on an emotional level, whether positive or negative. The subject of a woman's struggle in the world appealed to me."
